Brass Roots Product Description 2013.08.17 jp You want "transformation," or "Social Justice?" Did you grow up in America? Re-discover your Brass Roots! The American Founding Fathers were, and are still, light-years ahead of today's "cutting edge" intellectuals. They did not endorse factional Majoritarianism, Democracy, or Civil Law's summary process. The County Sheriff IS the highest office in the Land. Centralization of good government, legitimate government, extends no further! Why is this? Your County Sheriff answers to you. He or she is fully accountable to the People and closest in government to the body politic, backed fully by an Armed Citizenry whose properties are duly secured in allodial (Freehold, Absolute) title. All to the course of the American Common Law: the only Law of the Land. You cannot be compelled to perform, without due process in Law. Obedience to a strict separation of powers also requires strict separation of the only lawful jurisdictions permitted in the Constitution: Common Law, Admiralty, and Equity. These are explained fully and without equivocation. BRASS ROOTS County informs how each and every one of us can enforce Reason and Common Law jurisprudence in the 21st Century. From your own freehold property rights in the 3500 reinforced counties within the United State's constitutionally limited republic in North America, to eventual full Earth Liberty and rational interplanetary Space Law. The prologue has a glossary of terms to get you started. The rest of Brass Roots should be a piece of cake to both the beginner and the well-seasoned American Revolutionary. It doesn't take a post-graduate from Harvard's Kennedy School of Government to completely understand natural law self-preservation, self-reliance, and common sense. This is a simple field manual. Like your Marine Corps Rifle Squad FM. Carry it, along with your rifle! Pocket-size, 4 x 7, 190 page paperback.
