#### **Michael Slay:**

As a student exactly feel bored for you to reading. If their teacher requested them to go to the library or make summary for some book, they are complained. Just small students that has reading's internal or real their interest. They just do what the teacher want, like asked to the library. They go to generally there but nothing reading seriously. Any students feel that reading is not important, boring along with can't see colorful images on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. So , this China 1839-1997 (Access to History) can make you feel more interested to read.
