*Church: A Bible Study Wordbook for Kids* is a great introduction for children on what church is and why we go.

Ideal as an aide to parents, Sunday school teachers, and children's ministry directors, this book teaches children a number of lessons concerning church, such as:

- What a church is
- What happens at church
- What it means to be a part of a church
- Who can join a church
- How to join a church

Designed especially for kids in grades 2–5, this wordbook's activities include **a crossword puzzle, maze, coloring page, and true and false questions. Also illustrated are the activities at church and why they are important.**

Altogether, the lessons and activities help children see that church is not the building that we meet in, but that it's a gathering of people who believe in Jesus. They will understand what it means to be a living part of the Church that Jesus built.

\* This book is part of *The Children's Wordbook* series, by Richard Todd, and is most beneficial when used alongside the wordbooks, which cover *salvation, baptism, communion, giving, and church*. They are great resources for parents and teachers who want to teach children of these fundamental Christian doctrines.
