## **Small Steps** Louis Sachar

SMALL STEPS is a contemporary young adult novel from Louis Sachar, the *New York Times* bestselling author of the Newbery Award–winning smash hit phenomenon book and movie/DVD sensation *Holes*, and *The Cardturner*.

Two years after being released from Camp Green Lake, Armpit is home in Austin, Texas, trying to turn his life around. But it's hard when you have a record and everyone expects the worst from you. The only person who believe in Armpit is Ginny, his ten-year-old disabled neighbor. Together, they are learning to take small steps.

Armpit seems to be on the right path until X-Ray, a buddy from Camp Green Lake, comes up with a get-rich-quick scheme. X-Ray's plan leads to a chance encounter with teen pop sensation Kaira DeLeon, the Beyoncé of her time, and suddenly Armpit's life spins out of control. Only one thing is certain: he'll never be the same again.

Combining his signature wit with a unique blend of adventure and deeply felt characters, Sachar explores issues of race, the nature of celebrity, the invisible connections that shape a person's life, and what it takes to stay the course. Doing the right thing is never a wrong choice—but always a small step in right direction.

*From the Hardcover edition.*
