The Lost Mountain of God

The Exodus...one of the most significant and controversial events of history. Scholars, theologians, archaeologist and skeptics have long debated the facts surrounding the Hebrew's flight out of Egypt. What route did the Hebrews follow through the wilderness? At what point did God part the Red Sea? How could such a multitude survive in so inhospitable a desert?

In 1988, explorer Bob Cornuke an Larry Williams risked their very lives trying to answer those questions. Using the Bible as a road map, they followed the route of the Exodus in pursuit of a mystery.

Through this board game for the family, watch their adventure unfold before your very eyes as you embark on a monumental expedition along the route taken by the explorers. See sights hidden from the world for centuries and discover treasure and artifacts left behind by the Hebrew tribes.
