**The Unscratchables** Cornelius Kane

***Animal Farm* meets *The Simpsons* in this inventive twist on the hard-boiled detective novel, featuring a world made up exclusively of cats, dogs, and one ruthless fox...**

Bull terrier Crusher McNash is a no-nonsense homicide detective who eats out of the can and only bathes when his boss orders him to. He's just been thrownaboneaboutagruesome case involving Rottweilers torn apart by a savage killer, and the only lead he's been able to sniff out is "an impression of movement" at the murder scene. Crusher suspects the killer is a cat, and there's nothing he hates more than "the whole cream-lapping, wool-juggling, pajama-wearing, fence-sitting, bird-torturing, furball-coughing lot of them." But he'll have to start barking up a different tree if he wants help solving this case as his partner on this case is soymilk-drinking, pressed-suit-wearing Cassius Lap, an agent for the FBI (Feline Bureau of Investigation).

As this odd couple puts their paws together, their investigation takes them from the bow-els of the Kennel into the tony streets of Kathattan. Soon, they begin to uncover a vast conspiracy involving a cat who has been trained as a super-killer, capable of growing in size and ferocity and killing any dog who gets in his way—and who may be working for a media baron fox. But they'll need to unravel the conspiracy, and quickly, if they want to stop the next killing before it's too late.

Witty and irresistibly entertaining, this genre-bending mystery boldly mixes human and animal sensibilities in an entertaining satire of our current society.

### From reader reviews:

#### **Amy Dixon:**

Book is actually written, printed, or outlined for everything. You can realize everything you want by a book. Book has a different type. As we know that book is important factor to bring us around the world. Next to that you can your reading skill was fluently. A e-book The Unscratchables will make you to become smarter. You can feel far more confidence if you can know about almost everything. But some of you think that open or reading the book make you bored. It's not make you fun. Why they are often thought like that? Have you in search of best book or acceptable book with you?

#### **Bryant Kelly:**

Reading a book can be one of a lot of action that everyone in the world likes. Do you like reading book and so. There are a lot of reasons why people enjoyed. First reading a e-book will give you a lot of new information. When you read a guide you will get new information simply because book is one of several ways to share the information as well as their idea. Second, studying a book will make you more imaginative. When you studying a book especially fictional works book the author will bring that you imagine the story how the figures do it anything. Third, you could share your knowledge to other folks. When you read this The Unscratchables, you are able to tells your family, friends along with soon about yours reserve. Your knowledge can inspire the mediocre, make them reading a publication.

#### **Jack Jackson:**

Precisely why? Because this The Unscratchables is an unordinary book that the inside of the guide waiting for you to snap this but latter it will surprise you with the secret the item inside. Reading this book close to it was fantastic author who also write the book in such awesome way makes the content inside of easier to understand, entertaining technique but still convey the meaning thoroughly. So , it is good for you for not hesitating having this nowadays or you going to regret it. This phenomenal book will give you a lot of gains than the other book possess such as help improving your ability and your critical thinking technique. So , still want to hold up having that book? If I had been you I will go to the e-book store hurriedly.

#### **Janice Hayes:**

Playing with family inside a park, coming to see the sea world or hanging out with good friends is thing that usually you could have done when you have spare time, then why you don't try thing that really opposite from that. Just one activity that make you not sensation tired but still relaxing, trilling like on roller coaster you are ride on and with addition associated with. Even you love The Unscratchables, you are able to enjoy both. It is great combination right, you still desire to miss it? What kind of hang type is it? Oh occur its mind hangout people. What? Still don't understand it, oh come on its named reading friends.
