## **Trout Fishing in the Catskills** Ed Van Put

Ed Van Put begins this important book with the history of native brook trout and offers little-known details about their sizes, range, and demise from over-fishing, the growth of streamside industries, and the introduction of competitive species. Sweeping in its scope, *Trout Fishing in the Catskills* tells a thorough tale of the often tumultuous history of fishing in the Catskills. With a scope of over a century, Van Put tells of the Catskill's frontier fishing beginnings and tracks the rise, fall, and eventual revival of the fisheries.

Throughout, this is a history of people and methods as well as rivers, and there are profiles of Theodore Gordon, Art Flick, Harry and Elsie Darbee, Sparse Grey Hackle, and more. No serious trout fisherman, in any part of the country, will want to miss this pioneering portrait of a seminal region in American angling history.

Skyhorse Publishing is proud to publish a broad range of books for fishermen. Our books for anglers include titles that focus on fly fishing, bait fishing, fly-casting, spin casting, deep sea fishing, and surf fishing. Our books offer both practical advice on tackle, techniques, knots, and more, as well as lyrical prose on fishing for bass, trout, salmon, crappie, baitfish, catfish, and more. While not every title we publish becomes a *New York Times* bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.

### From reader reviews:

#### **Daniel Reynolds:**

In this 21st centuries, people become competitive in each way. By being competitive at this point, people have do something to make these people survives, being in the middle of the particular crowded place and notice by means of surrounding. One thing that occasionally many people have underestimated this for a while is reading. Yeah, by reading a book your ability to survive improve then having chance to remain than other is high. For you personally who want to start reading some sort of book, we give you this particular Trout Fishing in the Catskills book as nice and daily reading reserve. Why, because this book is more than just a book.

#### **Shawn Proctor:**

This Trout Fishing in the Catskills is great book for you because the content which is full of information for you who all always deal with world and get to make decision every minute. This kind of book reveal it info accurately using great plan word or we can point out no rambling sentences included. So if you are read it hurriedly you can have whole facts in it. Doesn't mean it only provides you with straight forward sentences but tricky core information with wonderful delivering sentences. Having Trout Fishing in the Catskills in your hand like finding the world in your arm, information in it is not ridiculous a single. We can say that no reserve that offer you world with ten or fifteen second right but this reserve already do that. So , it is good reading book. Hi Mr. and Mrs. hectic do you still doubt this?

#### **Patrick Duenas:**

As a university student exactly feel bored for you to reading. If their teacher inquired them to go to the library or even make summary for some reserve, they are complained. Just very little students that has reading's soul or real their hobby. They just do what the teacher want, like asked to go to the library. They go to right now there but nothing reading very seriously. Any students feel that reading is not important, boring and can't see colorful pictures on there. Yeah, it is being complicated. Book is very important for you. As we know that on this period of time, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore , this Trout Fishing in the Catskills can make you really feel more interested to read.

#### **Leroy Mallett:**

Reserve is one of source of understanding. We can add our knowledge from it. Not only for students but native or citizen need book to know the change information of year to help year. As we know those textbooks have many advantages. Beside we add our knowledge, may also bring us to around the world. From the book Trout Fishing in the Catskills we can acquire more advantage. Don't you to be creative people? For being creative person must want to read a book. Merely choose the best book that ideal with your aim. Don't possibly be doubt to change your life with that book Trout Fishing in the Catskills. You can more desirable than now.
