A Treasure Deep (Perry Sachs Mystery Series #1) Alton Gansky

Treasure-unbelievable, historic, and dangerous-awaits Perry Sachs. The famous engineer knows the treasure is buried just outside Tejon, California. And he knows that whoever buried the booty years before rigged it with enough booby traps to send would-be fortune hunters into early retirement-or the grave. But Perry is no mere fortune hunter. He and his team of workers from Sachs Engineering tackle the task with vision and faith. The greatest challenge is not simply outwitting the traps that keep the treasure out of reach-it's surviving the increasingly desperate attempts of a modern-day murderer. Someone with power, money, and mysterious incentive doesn't want Perry to succeed. The treasure is there, but much more is at stake: Something that will change the world-and could cost Perry his life.
