Adventures in Bolivia (Classic Reprint) C. H. Prodgers

This book, that exudes sincerity, just as a pine tree drops its rosin, serves a double purpose. It reveals a curious personality that might have stepped straight from the pages of Purchas or of Hakluyt, and at the same time, all unknown to the writer, helps to dispel some of the mist of ignorance and prejudice that for so long has hung over the lives and actions of the Spanish Conquerors. Judged by an alien Tribunal, brought before the bar of an opinion adverse to them by religion, race and interest, they have been vilified before the world with scarce a word raised in their defence. To-day their exploits are judged upon their merits.

(Typographical errors above are due to OCR software and don't occur in the book.)
