Confronting Capitalism: Real Solutions for a Troubled Economic System

Philip Kotler

Confronting Capitalism: Real Solutions for a Troubled Economic System Philip Kotler

With the fall of the Berlin Wall, one economic model emerged triumphant. Capitalism?spanning a spectrum from *laissez faire* to authoritarian?shapes the market economies of all the wealthiest and fastest growing nations. But trouble is cracking its shiny veneer. In the US, economic growth is no longer matched by economic development. Wealth is concentrated in the hands of a few, natural resources are exploited for short-term profits, and good jobs are hard to find.

With a piercing clarity, Philip Kotler explains 14 major problems undermining capitalism, including: persistent poverty, job creation in the face of automation, high debt burdens, the disproportionate influence of the wealthy on public policy, steep environmental costs, boom-bust economic cycles, and more.

Amidst its dire assessment of what's ailing us, *Confronting Capitalism* delivers a heartening message: we can turn things around. Movements toward shared prosperity and a higher purpose are reinvigorating companies large and small, while proposals abound on government policies that offer protections without stagnation. Kotler identifies the best ideas, linking private and public initiatives into a force for positive change. Combining economic history, expert insight, business lessons, and recent data, this landmark audiobook elucidates today's critical dilemmas and suggests solutions for returning to a healthier, more sustainable path.

Consequently there are a lot of benefits that you will get when you buy this book.

Jeffrey Martinez:

As a university student exactly feel bored for you to reading. If their teacher inquired them to go to the library in order to make summary for some book, they are complained. Just little students that has reading's soul or real their passion. They just do what the teacher want, like asked to the library. They go to there but nothing reading really. Any students feel that looking at is not important, boring along with can't see colorful pics on there. Yeah, it is to be complicated. Book is very important for you personally. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore , this Confronting Capitalism: Real Solutions for a Troubled Economic System can make you really feel more interested to read.
