How beautiful are these pilose vulvas that are natural and hairy and not shaven bald. I feel happy whenever I see something beautiful. Many past cultures worshipped vulvas. And it s no small wonder that today, vulvas have started again to unfold their magical charms, at least within the world of fine art. So it is that Paramonov s angels appear unashamed of their hairiness, act rather proud of their unshaven, natural beauty. 197 color photographs, texts German, English, French.
