In her first book, *Here Comes the Bridegroom!* Judy Grehan shows how the ancient Jewish wedding customs are the key that unlocks a long-lost treasure chest overflowing with biblical insight. Out spills breathtaking new understanding about the true relationship, not only between Jesus and the church, but also between God the Father and the Jewish people. And right behind them come new understanding about events yet to come, including the order of end-time events, and brand new insight into the rapture and the wedding banquet in heaven! Take a step back and forward in time to discover how all the events of Jesus's first and second coming appear, one-by-one and in their proper order, as the ancient Jewish wedding customs progress from the proposal to the consummation and beyond.
