Of Duty Well and Faithfully Done: A History of the Regular Army in the Civil War (Studies in War, Society, and the Military) Clayton R. Newell, Dr. Charles R. Shrader PhD

On the eve of the Civil War, the Regular Army of the United States was small, dispersed, untrained for large-scale operations, and woefully unprepared to suppress the rebellion of the secessionist states. Although the Regular Army expanded significantly during the war, reaching nearly sixty-seven thousand men, it was necessary to form an enormous army of state volunteers that overshadowed the Regulars and bore most of the combat burden. Nevertheless, the Regular Army played several critically important roles, notably providing leaders and exemplars for the Volunteers and managing the administration and logistics of the entire Union Army. In this first comprehensive study of the Regular Army in the Civil War, Clayton R. Newell and Charles R. Shrader focus primarily on the organizational history of the Regular Army and how it changed as an institution during the war, to emerge afterward as a reorganized and permanently expanded force. The eminent, award-winning military historian Edward M. Coffman provides a foreword.

You can find what you are looking for. It should be here for you. So , don't miss the item! Just read this e-book sort for your better life and knowledge.

Curt Stewart:

As a college student exactly feel bored for you to reading. If their teacher questioned them to go to the library or even make summary for some book, they are complained. Just small students that has reading's heart and soul or real their passion. They just do what the instructor want, like asked to go to the library. They go to generally there but nothing reading significantly. Any students feel that studying is not important, boring in addition to can't see colorful photographs on there. Yeah, it is to be complicated. Book is very important to suit your needs. As we know that on this period of time, many ways to get whatever you want.

Likewise word says, many ways to reach Chinese's country. Therefore , this Of Duty Well and Faithfully Done: A History of the Regular Army in the Civil War (Studies in War, Society, and the Military) can make you truly feel more interested to read.
