Rapture? Pre-Trib? Post-Trib? Millenium? Confused? You should be! In today's Evangelical Christian world, eschatology or the study of the "last things" has been turned into a sort of pseudo-science with a plethora of authors claiming to know exactly the scenario of events that are to take place just prior to the Lord Jesus Christ's return. Samuel Waldron's thesis is that there is This Age, and The Age to Come..we will be, or are, in either one or the other. Any "End Times" system that forms a hybrid of these two, or contradicts this simple formula, is unbiblical, and should be rejected.
