Fully revised and updated content matching the Cambridge International Examinations 9702 syllabus for first examination in 2016. Endorsed by Cambridge International Examinations, the Second edition of the AS and A Level Physics Teacher's Resource contains helpful activities and guidance to support planning, delivery and assessment. The CD-ROM includes customisable detailed teaching guides containing mapping grids for every topic, common misunderstandings and misconceptions, and ideas for in-class activities with additional advice for stretching high achievers and supporting struggling students. The CD-ROM also provides practical activity worksheets including safety advice and teacher-specific guidance, homework sheets with corresponding marking schemes and worked answers to all questions in the coursebook. The resources are prepared with a strong international focus.
