You can drive. And now you want your Washington driver's license You've passed the written test and have driven regularly and practiced enough to believe you can pass the drive test. With this book and a little more practice, you can pass the drive exam on the first try. My estimate is that more than 80% of my former students have done just that. This book is presented in a logical progression with diagrams to illustrate the major skills and issues. The type is large enough to be a great practice companion in the car with you, along with illustrations. Make the next step to easily prepare for the drive test without wasting time and effort. All you need to know about the test, the required skills and the applicable laws are right in this book. Prepare the right way and have your license the day after the test.
