## **PUSSIfication: The Prostitute's Revenge** Ron'Netta LeDoux-Henderson

Areliia “Ree Ree” James wants a new start at life after years of prostitution, and cocaine abuse. She is motivated to clean herself up, and reunite with her twin sons who were taken from her custody as a teenaged mother fifteen years ago. She has no real support system, and has lost touch with her friends and family due to her despicable lifestyle. The sole person who she has been able to rely on through the years is her childhood bestie, Gina. Gina is a successful psychiatrist who has harbored a secret from her friend for years regarding her knowledge of the twin's whereabouts. Sex between Ree Ree and Gina's husband, Dirk, leads to a “dirty” game of tit-for-tat revenge that exposes Gina's deception. A chance encounter at the Emergency Department has lead Ree Ree into the path of a millionaire named Chance Richards. Chance is a lonely soul suffering from an episode of post-traumatic stress disorder caused by the death of his wife and daughter. He befriends Ree Ree, catapulting her into the upper-class lifestyle. Her new social status gives Ree Ree the means to get revenge against Dirk and Gina, as well as the finances to launch a search for her sons. Ree Ree is now living a modern day rags-to-riches fairytale, but it's not complete without her twins. She is on a relentless mission to reunite with them, and will allow nothing under the sun to stop that reunion. Ree Ree is unaware that there is a connection between the millionaire and her now ex-bestie, Gina, that may complicate things.
