Slummy Mummy

Fiona Neill

Slummy Mummy Fiona Neill

A smart, laugh-out-loud debut novel about a deeply flawed but endearing stay-at-home mom, a book for anyone who took Helen Fielding's *Bridget Jones* to heart a decade ago-and now has kids.

Lucy Sweeney has three sons, a husband on a short fuse, and a tendency toward domestic disaster. It has been years since the dirty laundry pile was less than three feet high, months since she remembered to have sex, and weeks since her toddler started using the trash can as a toilet. Lucy is living in a constant state of emergency, caught between perfectionist Yummy Mummy No. 1 and competitive Alpha Mum, making it hard for her to remember exactly why she exchanged her career and sanity for less than blissful domesticity. When she begins a flirtation with Sexy Domesticated Dad, a father from the school car-pool lane, the string of white lies to cover up the trail of chaos and illicit desire starts to unravel and disaster looms.

Slummy Mummy is a hilarious novel about the dilemmas of modern marriage and motherhood for those who never discovered their inner domestic goddess. Pitch-perfect and satisfyingly smart, it does for the stay-at-home mother what Allison Pearson's blockbuster bestseller *I Don't Know How She Does It* did for the working mom: It offers a lovable, flawed character who resonates, entertains, and undoubtedly has it worse than you do.
