Every choice that a teenager makes lays another brick on the foundation that their future will be built. How do you make sure that you are building the strongest foundation possible for a great life? What do you do when a friend is wasting their life away on drugs? Is it ok to just drink alcohol socially? When are you old enough to start dating or ready to start having sex? How far is too far? What does it mean to be a healthy person? How should you pick your friends? Why set goals? How do you decide what is morally right and wrong? How do you deal with the pressures put on you by your friends and parents? No matter how confusing the question, Trey Talley has an answer in Teenage Construction Zone + Companion Bible Study. This book provides a manual for how to navigate through your teenage years and end up with a happy and healthy future. Each chapter contains a Bible study that reinforces significant topics with Scriptures, discussion questions, answer blanks, and points for individual reflection. This teenage-friendly study is also a helpful resource for youth group leaders and parents that can divide into a weekly curriculum if desired. Everything is printed right inside the book for your convenience. No extra workbooks are required. The material is extremely relevant, easy to teach, and fun to learn!
