A Bold New Foundation for Christianity Charles R Bond

MODERN EVENTS CHALLENGE RELIGIOUS WORLD UNDERSTANDINGS Mr. Bond, as a scientist outside the religious establishment, and not subject to its conforming pressures, dares to address today's several internet collections of supernatural experiences. His startling conclusion is that a transcendent God has been working in our world! However, he begins the book by addressing traditional Christians' unfounded beliefs in many literal Bible understandings declared as timeless truths, as derived from oral histories, allegorical writing styles, and beliefs in the Old Testament God. The liberal church is observed as working to constructively de-mythologize many such traditional beliefs, but only responding with various new understandings and beliefs in the God Jesus called his metaphorical father. Two modern internet sites are shown as revealing a transcendent God making supernatural mind interventions in deathbed visions, near-death experiences, and God-originated personal directives. By analyzing the many reported directive experiences, Mr. Bond believes such God-initiated mind interventions are also found in several important New Testament stories. Thus, long regarded as mythological like many others, these stories instead establish God was actually intervening in the life of Jesus, and later many of his apostles, in what can be called the beginning of Christianity. The author's understandings thus provide a distinctive new foundation for the Christian religion, that displace the few specific mythological beliefs now forming the foundation of traditional Christianity. The author thus leads to belief in a supernatural God, a Jesus even more firmly understood as inspired directly by God, and a God still working with mind interventions in individual lives and deaths. This Christianity thus is conceived with a distinctive new God-centered foundation, derived from analysis of real world experiences that should inspire modern minds in supporting Christianity. A CELESTIAL GOD IS RECOGNIZED AS WORKING IN OUR WORLD
