Herbal Antibiotics

Natural Remedies To Prevent And Cure Illnesses

This book, Herbal Antibiotics: Natural Remedies to Prevent and Cure Illnesses, contains a wide range of natural antibiotics, all derived from plants. As you will see as you read through the book, the herbs listed as having healing properties actually do treat bacterial and fungal infections, and also protect the body from viral infections. It is also easy to use the relevant part of the herb for medicinal purposes, without having the need to use complicated processes. At the same time, the herbs described in the book can be taken as protection against disease, and do not cause any side effects just because you are healthy when taking it.

In this book, you are going to learn:

- What herbal medication is about
- The best way to use herbal medication
- When to liaise with a doctor on matters of herbal treatment
- A range of protective herbs
- A range of curative herbal antibiotics
- Herbal foods that also serve as antibiotics
