Traditionally methods of keeping and enjoying food beyond its season, pickling and preserving are skills that have been handed down through the generations. Alongside the much-loved Strawberry Jam, Marmalade and Piccalilli are unusual recipes such as Spiced Pears and Scented Geranium Leaf Jelly. Herby butters, spiced mustards, scented oils and vinegars also feature in this book, bringing you a wealth of preserves that are easy to make, satisfying to keep and, most of all, delectable to consume.
