See You Later, Alligator Sally Hopgood

A departing tortoise has his bags packed and is almost ready to set out on an adventure, but he can't leave until he says good-bye to each of his animal friends. The tortoise stops for every last timid mouse and bumblebee, shouting his rhyming good-byes, making you wonder if, perhaps, he's stalling the start of his trip.

His animal friends appear startled as he suddenly pops up on each page to say adieu—especially the perplexed rhinoceros the tortoise mistakes for a unicorn! With each farewell, the tortoise's good-byes get sillier and more creative. When will the good-byes end and the adventure begin?

See You Later, Alligator is a silly story with bright, engaging illustrations and expressive, rhyming text that children will want to read—and giggle through—again and again.

Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a *New York Times* bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.
