The God Portal Tim Ferguson

A Modern Atheist Will Meet the Historical Jesus...

It began as a vacation out west for Jim Wagner and his family...until Jim discovers his brother, particle physicist Dr. Warren Wagner, is missing from his Nevada home.

The mystery leads to the desert laboratory of corporate giant Forsythe-Hammond. There Jim discovers the truth behind Warren's disappearance and its connection to the company's deepest secret, a technology where faith and science collide. It's the beginning of a dangerous adventure to rescue his brother.

Jim is joined by the affable Lyle Bumgardner, particle physicist and atheist at heart; and by Dr. Lawrence Macklin, devout Christian and Biblical scholar. Their odyssey becomes destiny, a struggle for survival and a quest for truth, leading them to a place where Christian faith and secular atheism alike will be put to the test. Their journey puts them on the trail of the historical Jesus...

How do you categorize THE GOD PORTAL?

Is it religious fiction? Christian fiction? Science fiction? Historical fiction? It's all of these and none of these. At its core the book is a human drama filled with emotion and rich characters whose deepest beliefs are put in the crucible. You'll find history, adventure, mystery, and suspense. It's a modern apologetic with heart.

You'll connect with Jim, Lyle, and Dr. Macklin who are wrestling with questions we all ask: Who is Jesus, really? And if I had the opportunity to meet Him face to face, would I dare go...?

THE GOD PORTAL entertains while wrestling with the deep questions: Does God exist? Who is the historical Jesus? Can I trust the Bible? Are miracles possible? It pulls you toward a climactic encounter with the divine...
