The Top Essential Windows 10 Tricks You MUST Know! James Eldredge
Do you have a Windows 10 computer? Do you consider yourself a "beginner" user? If your answers to these questions were both "yes" then you need to get this book today. James Eldredge, a thirteen year computer veteran, has put together a book filled with the most essential tips, tricks and "How-To's" that every Windows 10 user needs to know. Based on his personal experience in working with clients of all skill levels, James put together this book to help novice and moderately skilled computer users tackle some of the most common issues that he has seen in his work. Here's a sampling of what you'll learn from "The Top Essential Windows 10 Tricks You MUST Know!": - How to Enable & Use Cortana - How to Record Video and Screenshots of Your Computer - How to Customize the New Windows 10 Start Menu - How to Change the Windows 10 Privacy Settings - How to Clean Out Your Operating System - How to Allow Remote Desktop Access to Your Computer - How to Edit the Registry - How to Create a New User Profile - How to Use Windows Keyboard Shortcuts - How to Find Your Computer's IP Address - How to Partition a New Hard Drive - And much more! Keeping to his philosophy of making things as simple as possible, James stripped out all unnecessary content from this book, reducing it down to the absolute essential tips and tricks and making sure that they're all in plain english, with step-by-step instructions for each one. If you're looking for a gigantic manual filled with computer jargon and hundreds of pages of instructions that you'll never read or use, don't buy this book. If you're looking for a book that covers some of the most essential information you'll need during your use of a Windows computer, give "The Top Essential Windows 10 Tricks You MUST Know!" a try. James has included a special conclusion to the book that explains in detail (several pages!) how to go through troubleshooting steps on your own to find answers to problems by using specially crafted search terms on search engines like Google. James Eldredge is a thirteen year computer technology veteran and has worked with all types of clients, from stay-at-home moms to multi-million dollar law firms. James focuses on a simple approach to troubleshooting, focusing on the smart way of troubleshooting instead of beating his head against the wall. This unique angle has gained him hundreds of happy clients and helped him build a successful consulting business that helps teach users as much as it fixes their problems.
