Time to Go to the Science Museum!: Work with Time (Math Masters: Measurement and Data)

Whitney Hopper

Working with data is a foundational concept not only for mathematics, but also for understanding the world around us. Readers will gain exposure to principles of measurement, such as measuring length and using it to perform operations, while other narratives introduce concepts of money and time. Bright visuals help make math not only concrete, but also fun. In this book, readers follow Paolo as he visits a science museum and practices telling time. This volume meets CCSS Math Standard 2.MD.C.7.
