"What's the first thing you think of when I say 'angel'?" asked Mallory. Alice shrugged. "I don't know... guns?"

Alice isn't having the best of days. She was late for work, she missed her bus, and now she's getting rained on. What she doesn't know is that her day's about to get worse: the epic, grand-scale kind of worse that comes from the arrival of two **angels** who claim everything about her life is a lie.

Alice isn't having the best of days. She was late for work, she missed her bus, and now she's getting rained on. What she doesn't know is that her day's about to get worse: the epic, grand-scale kind of worse that comes from the arrival of two **angels** who claim everything about her life is a lie.

The war between the angels and the **Fallen** is escalating; the age-old balance is tipping, and innocent civilians are getting caught in the cross-fire. If the balance is to be restored, the angels must act - or risk the Fallen taking control. Forever.

That's where Alice comes in. Hunted by the Fallen and guided by **Mallory** - a disgraced angel with a drinking problem and a whole load of secrets - Alice will learn the truth about her own history... and why the angels want to send her to hell.

What do the Fallen want from her? How does Mallory know so much about her past? What is it the angels are hiding - and can she trust either side?

Caught between the power plays of the angels and Lucifer himself, it isn't just hell's demons that Alice will have to defeat...
