Dead Is Better (Charlie & Rose Investigate) (Volume 1) Jo Perry

"It's weird, unique, funny and sad all at the same time. An emotional read, but a bloody great story! I can't wait to read the follow up, Dead Is Best!" Charles Stone has just woken up dead. Well he's pretty sure he's dead, what with the bullet holes in his chest and all. He also appears to be totally alone in the after-life except for the ghostly dog who seems to be his new companion. Unable to interact with the world of the living other than watching and listening, he and the dead dog (whom he names Rose) have nothing to do and all the time in the world to do it. When Charles and Rose try to unravel the circumstances of Charles's death, they uncover a criminal who is raking in millions of dollars by cruelly exploiting, and sometimes killing, his victims. But what difference can a ghost make? And what does the damn dog have to do with any of this? "Perry's prose here is blunt, clean, simple and sharp. It's Charlie's voice, but it's also Philip Marlow, and, at times, the combination of direct language and surreality overlaying worlds unsaid makes this feel like a Noir novel by Sam Beckett." "Jo Perry's novel got under my skin and just wouldn't turn me loose" "Deep, dark edges that still somehow let in the light, which is in turn harsh and silvery and, as in one of the quotations, "bonewhite...like death, behind all things." I love this story— of redemption, of love, of connection— and I love this book."

From reader reviews:

Bernard Martin:

Book will be written, printed, or highlighted for everything. You can know everything you want by a publication. Book has a different type. We all know that that book is important matter to bring us around the world. Next to that you can your reading proficiency was fluently. A reserve Dead Is Better (Charlie & Rose Investigate) (Volume 1) will make you to always be smarter. You can feel much more confidence if you can know about everything. But some of you think this open or reading a new book make you bored. It is not necessarily make you fun. Why they could be thought like that? Have you in search of best book or suited book with you?

Tommy Heckman:

Spent a free the perfect time to be fun activity to do! A lot of people spent their free time with their family, or their friends. Usually they accomplishing activity like watching television, likely to beach, or picnic inside the park. They actually doing same every week. Do you feel it? Do you need to something different to fill your personal free time/ holiday? May be reading a book might be option to fill your no cost time/ holiday. The first thing that you ask may be what kinds of e-book that you should read. If you want to test look for book, may be the publication untitled Dead Is Better (Charlie & Rose Investigate) (Volume 1) can be very good book to read. May be it can be best activity to you.

Adrienne Helms:

Your reading 6th sense will not betray you, why because this Dead Is Better (Charlie & Rose Investigate) (Volume 1) book written by well-known writer who knows well how to make book that can be understand by anyone who else read the book. Written throughout good manner for you, leaking every ideas and producing skill only for eliminate your hunger then you still question Dead Is Better (Charlie & Rose Investigate) (Volume 1) as good book not simply by the cover but also by content. This is one e-book that can break don't ascertain book by its cover, so do you still needing a different sixth sense to pick this kind of!? Oh come on your reading through sixth sense already told you so why you have to listening to a different sixth sense.

Carolyn Ziolkowski:

As a college student exactly feel bored for you to reading. If their teacher questioned them to go to the library or make summary for some book, they are complained. Just very little students that has reading's heart or real their hobby. They just do what the instructor want, like asked to go to the library. They go to generally there but nothing reading really. Any students feel that reading is not important, boring and can't see colorful images on there. Yeah, it is to be complicated. Book is very important to suit your needs. As we know that on this era, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore , this Dead Is Better (Charlie & Rose Investigate) (Volume 1) can make you experience more interested to read.
