## **Great Prophecies of The Bible** Ralph E. Woodrow

While not written in a divisive spirit, this book does challenge some popular present-day views on prophecy, presenting the older, historicist view regarding the abomination of desolation, great tribulation, fleeing to the hills, fig tree, etc. Explains reasons for believing Daniel's 70th week pertains to Christ, not Antichrist; why the reformers linked the prophecies about the "man of sin" or Antichrist with the Papacy. 37 illustrations.
