I'll spend every day of the rest of my life trying to win her love back.

Corbin

I've always tried to do the right thing for Trinity and our family, but the one thing I didn't do was protect her. I know I've said I would stop going on the road before, and thought I meant it, but the fame always pulls me away. Now I will have to prove to her - and myself - that I can be the family man that she needs. If I can't keep my promise to her, I'll go on the road for good.

Trinity

Ever since Corbin made it in the rap industry, he has cared more about fame than his family. Now, because of him, our baby might not live, and I may never walk again - all because one night put our entire family in jeopardy. He says he'll stop touring to focus on our family, but I don't believe him. I've heard it before. Can he change for good or are we destined to be apart?
