Teaching Kids to Sing Kenneth H. Phillips

A foundational text in music education, **TEACHING KIDS TO SING**, 2e delivers a developmental program of exercises and skills to help all students achieve confident, accurate, and expressive singing. Founded on the principle that singing is a "learned" skill and grounded in the latest physiological research, this popular text provides a groundbreaking, step-by-step methodology for energizing the body, breath, ear, voice, and song. Thoroughly revised and updated, the new Second Edition includes a revision of the basic methodology, updated research on young singers, a separate new section on vocal physiology, contemporary music selections, and much more.
