Medical billing is one of the fastest-growing employment opportunities in the United States today. Insurance companies, medical offices, hospitals and other health care providers are in great need of trained personnel to create medical claims. This book will ensure learning the skills necessary to become a successful medical claims biller. It is presented in a comprehensive, yet user friendly way, following a logical learning format beginning with a broad base of information and then, step by step, following the course for creation of a medical claim.

This book teaches the skills necessary to become a well-rounded medical biller. By completing this course of study with a satisfactory grade, the user will be granted a certificate and can have the opportunity to work towards an "Honors Certificate", which is even more valuable to a potential employer.
