Are you concerned that your family photos won't be around for your grandchildren to look at? Are you afraid that the respected founders of your most cherished institutions will be forgotten by the next generation? In today's world of digital photography that can be forever lost with the crash of a hard drive or a software update, these are very real concerns. Even photographic prints less than 50 years old are deteriorating and many won't outlive the people they depict. Fine art portraiture has historically been a treasured way to preserve our memories of people we love and respect. Fine art portraits should last many generations, and be treasured as heirlooms of great value. David William Terry is among the top portrait artists in the world. He articulately takes us through the making of the fine art portrait. B. Eric Rhoads, one of the world's top authorities on art, and editor of several art publications, including Fine Art Connoisseur Magazine, interviews Terry on the portrait process from start to finish. For those shopping for a portrait, Terry provides an instructive and captivating insight into the dos and don'ts of commissioning a fine art portrait.
