Penguins Love Colors Sarah Aspinall

Mama loves brightly colored flowers and her little penguins too! Tulip, Tiger Lily, Dandelion, Bluebell, Violet and Broccoli use red, orange, yellow, blue, purple, and green to color in their snowy world and paint a wonderful surprise for Mama. Will she know who painted what? Of course she will! But will YOU know?

Simple language and arresting, graphic illustrations introduce readers to the six primary and secondary colors and the adorable antics of six creative little penguins. A lively text, asking children to participate by answering questions, makes this an engaging, heartwarming story that is perfect for bedtime, story time, or anytime.

Dominique Rigney:

As a pupil exactly feel bored to be able to reading. If their teacher inquired them to go to the library or to make summary for some e-book, they are complained. Just very little students that has reading's spirit or real their leisure activity. They just do what the educator want, like asked to the library. They go to generally there but nothing reading seriously. Any students feel that examining is not important, boring along with can't see colorful photographs on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore , this Penguins Love Colors can make you experience more interested to read.
