## **Satan's Sorcery Volume I: The Eye of Satan** Rev Caesar 999

Satan's Sorcery Volume I, The Eye of Satan, is a book written by Rev. Caesar 999. This is the first book in his Satan's Sorcery series and they are for both the novice and the adept. The Satan's Sorcery series of books represent his personal grimoires, philosophies, spiritual, and magickal teachings. Students will learn from these books and his oral teachings. The first 3 volumes were written long before his Satanic Bible and help to lay the foundation for Rev. Caesar's evolving belief system.

Part 1 is called The God/Goddess of Self. Here we establish the foundational concept of the union of Self and Creation! This will be the path of the Sorcerer or Magickian and the Divine Theme throughout our Spiritual and Magickal Journey. The Sorcerer or Magickian is initiated into the Grand Lodge of the Universal Temple and is awakened to their Spirituality through this sacred ceremony. The oath is taken, the student drinks of the wine of life and the celebration begins! The Eye of Satan is opened and the Sorcerer has left the Garden, born into the Darkness of Nature's pure freedom and chaos! The first day begins and the Sun rises to light the path of the student!

Part 2 is called Satan's Morality. Here we begin the initiation of fire which will expand the mind and begin the life long quest for Purification! This is the Spiritual path of the Alchemist and through proper use and understanding will become a guide for mental and physical liberation. Through this mental bombardment and consciousness raising, the student will embrace their Self and know them-Self. The values one holds will become the bedrock for future attainments and the roots of the Power of The Sorcerer. Will the student continue down the Dark Road of Satan's Sorcery or turn back toward a more white light art? This becomes the moral question!

Part 3 is called Satan's Power. If the student has chosen to continue down the Dark Path and has left behind any moral blockades of the mind, then they will become initiated into the most direct routes of attaining the most power and influence in this world. The student will learn the heart of Satan's Power and how its tools are used in this world. One powerful tool at the disposal of the Sorcerer is that of Magickal Words. All words become recognized as Magickal Words and therefore Mastery of Words becomes a top priority. The student will rise above his or her competition and become the Master of His Domain, through the understanding and manipulation of these Magickal Tools.

Part 4 is called The Devout. The student will learn Discipline and Allegiance which will in turn grant them greater power among their Order. Our Satanic Creation manifested in the Self will teach the students such principles to live by and follow. The student will learn not to let their ego destroy them, not to become foolish, not to become lazy or without a Master to humble them and guide them. Therefore, they shall be initiated into the Order of their Master Teacher or Guru. Every Master must have a Master or this lesson is lost!

Part 5 is called Evil's Oracle. Here we are reminded of some of our older lessons again and will learn to test ourselves. Through this initiation we become entitled to hold the title of a Priest or Priestess. We learn of the

coming of the new era and the re-awakening of the Age of The Priestess! All hail the High Priestess of The World! The student becomes ready to advance to a higher level and learn more of the Mystical Arts of Satan's Sorcery!
