Cherringham - Episode 19 - 21: A Cosy Crime Series Compilation (Cherringham: Crime Series Compilations Book 7) Matthew Costello, Neil Richards

Jack's a retired ex-cop from New York, seeking the simple life in Cherringham. Sarah's a Web designer who's moved back to the village find herself. But their lives are anything but quiet as the two team up to solve Cherringham's criminal mysteries.

This compilation contains episodes 19 - 21:

GHOST OF A CHANCE

Every Halloween, the supposedly haunted Bell Hotel hosts its famous 'Ghost-Hunters Dinner', complete with scary stories, spooky apparitions and things that go bump in the night. But this year's event ends in a terrifying accident, and suddenly everyone wonders- Is there a real ghost loose in the hotel? Jack and Sarah are convinced that the culprit must be human: who would want bad things to happen at the classic hotel? But soon they're forced to confront their own superstitions as they find themselves on the trail of an unsolved Victorian murder-

FOLLOW THE MONEY

Claire and Terry Goodman seem to have everything. Successful business. Son at Oxford. New mansion right on the River Thames. And seemingly-plenty of money to spend. But when Jack and Sarah are asked to investigate an odd robbery at their home, secrets start to emerge. And as the truth is revealed, for someone it will be too much to bear, and murder may be the only way out.

MURDER MOST WILD

When the Zakro Corporation attempts to build a mammoth supermarket outside Cherringham, the whole village is up in arms. But the accidental death of the lead environmentalist, Sam Lewis seems to hand victory to the developers. Could Sam's opposition to the project be the real reason he died? When Jack and Sarah take on the case, they will learn that what was an accident was - in fact - one very wild murder.

Cherringham is a serial novel à la Charles Dickens, with a new mystery thriller released each month. Set in the sleepy English village of Cherringham, the detective series brings together an unlikely sleuthing duo: English web designer Sarah and American ex-cop Jack. Thrilling and deadly - but with a spot of tea - it's like Rosamunde Pilcher meets Inspector Barnaby. Each of the self-contained episodes is a quick read for the morning commute, while waiting for the doctor, or when curling up with a hot cuppa.

Co-authors Neil Richards (based in the UK) and Matthew Costello (based in the US), have been writing together since the mid 90's, creating content and working on projects for the BBC, Disney Channel, Sony, ABC, Eidos, and Nintendo to name but a few. Their transatlantic collaboration has underpinned scores of TV drama scripts, computer games, radio shows, and - most recently - the successful crime fiction series Cherringham. Now into its second season of 12 novellas, Cherringham is popular around the world and has been adapted as a series of audiobooks in Germany.
