**Creating a Healthy Culture of the Supernatural in the Church Today: Sustainable Power** Simon Holley

The fascinating story of one church community's journey into faith. A template for the miraculous and living in the reality of the kingdom of God now. Simon Holley is the pastor of the King's Arms, a church in Bedford, UK, which has seen God move in remarkable ways in healing. Here he tells the fascinating story of their church community's journey into faith. As he and others in the church learn to hear God and trust that he will keep his promises, they find themselves in exciting encounters with his healing power both inside the church and while going about their day-to-day lives. From many years of reaching out for more of God's blessings while keeping his feet firmly on the ground, Simon shares simply and honestly what he and his church have learned. 'Having journeyed with Simon Holley and the supernatural community at the King's Arms Church, Bedford, for more than five years now I am so happy to see this book in print. It is a template for the miraculous and living in the reality of the kingdom of God now. I know of no other person more qualified to write on the subjects covered in this book than Simon Holley. His insights and theological truths are matched by his experience of living and developing a people who are more aware of God's presence and his ability to act than they are of the possibility of defeat. These are robust, practical and deeply moving words which will change your life and your church forever. Simon Holley is the most authentic person I know and what is contained in here will leave you wanting more of God and greater displays of his power! This book is a must for pastors, leaders and anyone who wants to see heaven invade earth.' Julian Adams, Founder of Frequentsee Trust, speaker and author
