**Gamers Unite!: The Video Game Revolution (Pop Culture Revolutions)** Shane Frederick

When the first video game was created in the 1960s, not only were computer geeks the first ones to play it, they were the only ones who could play it. This was long before laptops and personal computers were everywhere. Back then computers took up entire rooms, and there was limited access to those huge machines. How times have changed! And you that's right, you are a part of this ongoing revolution!
