Horses

Yann Arthus-Bertrand, Jean-Louis Gouraud

Horses Yann Arthus-Bertrand, Jean-Louis Gouraud

The most visually stunning book ever produced about horses, in a portable new format.

This sumptuous tribute to the earth's most beautiful animal has been redesigned in a new mini format that is 100 pages longer than the original. Renowned photographer Yann Arthus-Bertrand—master of light and shadow, angle and exposure—etches these magnificent creatures and their human partners in photographs shot on location and around the globe, from Montana to Russia, central Asia to Argentina, Mongolia and Cameroon, and points in between. Each moment captured offers a glimpse of the breath of humanity, and man's powerful and moving relationship with the horse. Full of tribal costume, local color, and panoramic scenery—accompanied by the text of equine expert Jean-Louis Gouraud—*Horses* is a project of unparalleled ambition and scope.
