Social Work, Social Welfare, and American Society (with Research Navigator) (6th Edition) Philip R. Popple, Leslie Leighninger

Provides students with a political perspective on social welfare with definitions of liberal, conservative, and radical positions, to help them better appreciate the political context of social welfare programs. This popular introductory text is written by two of the best-known authors in social work and social welfare. The Sixth Edition continues to examine the values, ethics, and knowledge needed by social workers, as well as exploring social workers' current roles in social welfare programs. Strong coverage of the history of social welfare movements throughout the text allows students to place developments in an historical context.
