The Thousand Faces of Night Jack Higgins

One man's race to recover a hidden treasure becomes a struggle for survival against a violent criminal underworld

Hugh Marlowe spent five years in prison thinking only of the fortune he'd stashed away before being thrown behind bars. Unfortunately for him, he wasn't the only one.

Now the worst of London's gangsters and criminals are after Marlowe and his hidden bounty. And in order to leave behind his life of lawless abandon, Marlowe must outwit and outmuscle the murderous men who want nothing more than to see him dead and to claim the money as their own.
