Weinstein's Evidence Manual, Student Edition Jack B. Weinstein, Margaret A. Berger

This volume comprehensively covers the Federal Rules of Evidence. It was designed for judges, lawyers, and students who need a concise guide to the practical and theoretical information required in the court, office, and classroom. Now that the Federal Rules have been in effect for more than two decades, some clear lines of interpretation have begun to emerge. The authors have summarized those areas and indicated places where further clarification is needed.
