## **Woman and Her Master, Vol. 1 (Classic Reprint)** Morgan Morgan

The long delay which has occurred in the publication of Woman and her Master is solely attributable to an infirmity of vision; the ultimate appearance of the work in a divided form has been the result of the same painful infliction the necessity of temporary repose having been suggested by one, to whose eminent skill and unremitting attention I stand indebted for the comparative recovery of the most precious of the organs. The disadvantage of dividing the work into two distinct publications is manifest; particularly as its strict adherence to chronological order obliged me to bring before the public that portion which, by its remoter associations, may be deemed the least interesting.
