ALL THAT'S LEFT UNSAID Sana Hamdan

Sana Hamdan was lost amongst a sea of strangers, till she discovered poetry. Writing became her savior for the times she was struggling in the darkness.

Turning her emotions and experiences into poetry, she began to share her work online. Allowing other people living across the oceans, to capture her most beautiful moments and tragic incidents.

The nested thoughts within our minds that haunt us at night, are the words we'll never speak aloud. They've lured our minds and deprived our hearts. These verses and lyrics printed within these pages have finally put them to an end.

'All That's Left Unsaid', is a written collection of prose poetry, exposing the hidden truth of the unsaid.

A brilliant debut novel exploring;

First-love, heartache, identity, mental illness and recovery.

Gradually turning her heartbreaking yet breathtaking experiences into poetry, Sana Hamdan began to share her work online. Soon she discovered the reflection of her story within the eyes of her readers, motivating her to construct a realistic novel. Allowing others to explore her hauntingly beautiful journey.
