Enter a world of fairies and make-believe. Often children are told to quit "imagining things" and to stop "making things up". But, what if Jeds and Blats and Zappys really are real? And what if there really is more than what we see and what we're told?

The power of imagination and the belief in what others might term the improbable creates an alternate reality that is magical.

Open up to the possibilities beyond the everyday world. Believe the Wee Frog is a fanciful, lyrical and self-affirming tale. Just plain gorgeous illustrations.

Bilingual text: In both English and Spanish
