Michael Schultes

Michael Schultes presents fruit on human skin by using the color-key method. Only the fruit remains in color. The nude bodies are converted to black and white and look like landscapes. There is no digital manipulation; all arrangements are real. Calvendo calendars are premium products - a bit more pricey than others but with added benefits: Our calendars always look beautiful on your wall because we produce them locally with premium paper and sophisticated spiral binding, ensuring easy turning of pages and flat hanging against the wall. A protective transparent plastic cover sheet provides added stability and each calendar comes in five languages. Treat yourself to a Calvendo calendar and you get something that looks better all year round.
