Marketing manager Tiana Holliday just landed her dream job at an award-winning agency in New York City. There's just one problem: cocky playboy Nathaniel Lawson, her old grad school nemesis, is her new officemate.

As the firm's rising star, Nathan never had to compete for prime clients until all-work and no-play Tiana strutted into his workspace. When an opportunity arises to manage a lucrative sports car account and nab a big promotion, he challenges her to a wager: Loser does the winner's bidding for one month. But their friendly little competition suddenly threatens to erupt into an all-out battle of desire.

As they straddle the line between love and war, they just might discover that challenging each other outside the boardroom is even more satisfying than advertised.

Sensuality Level: Sensual
