Animal lovers will be glued to the story.” - Jessi Hoffman, Founder and Director, Fur and Feather Animal Haven, Tenino, Washington - "In this book, you’ll read Kris and Deaken’s story. She will tell you the joys of growing up with the adorable serval kitten, the amusing traits, the time he showed a wild cat trait that brought her into being a great deal more respectful of him; her father finally accepting the little wild thing; the heartbreaking decision she had to make because of a broken leg; the many homes she and Deaken had to find because neighbors "didn't want a wild animal living next door", the problems, the expense, the emotional grief for the wild one she would do anything to keep safe and secure. You will be fascinated in discovering the connection between Kris, Star Trek, DeForest Kelley, The Shambala Preserve, and me. You will learn of the soul searching, compassionate life of a woman determined to handle her responsibilities, her fierce determination, and how she resolves her life on so many levels, both animal and human.
