**The Willowdale Handcar: or the Return of the Black Doll** Edward Gorey

In this enigmatic, surreal, wonderfully entertaining tale, three mysterious figures set out from Willowdale, traveling by handcar. On the way to nowhere in particular they pass a number of odd characters and observe a series of baffling phenomena, from a house burning down in a field to a palatial mansion perched precariously on a bluff.

At once deeply vexing and utterly hilarious, darkly mysterious and amusingly absurd, *The Willowdale Handcar* is vintage Edward Gorey.
