For many women, remaining optimistic about life and feeling positive about themselves is a constant battle. For others, negativity is something that sneaks up from time to time. Either way, once those dark thoughts come into the mind, it's hard to see the light anymore. Even though women know that negative thoughts don't come from God, it's often difficult to escape them.

Through *Unsinkable Faith*, Proverbs 31 Ministries speaker and author Tracie Miles offers hope for women who struggle with negativity. Each chapter explores personal stories from Tracie and other women, showing how they were able to rise above their circumstances by transforming and renewing their minds.

Women will be inspired to embrace God's truth as they find tools to be more positive and optimistic.
